NoizeBarrier™ Micro

HIGH-DEFINITION RECHARGEABLE ELECTRONIC EARPLUGS

OTTO's NoizeBarrier™ Micro electronic earplugs offer unsurpassed situational awareness and clear communication while providing hearing protection from loud noises. The dual-mode NoizeBarrier™ Micro earplugs offer active hearing protection as well as hearing enhancement for extremely effective sound localization and detection.

The noise-isolating eartips combined with proprietary sound processing electronics produces an earplug that responds to your environment. In standard mode the ear plugs provide active situational awareness when sound levels are safe. The earplugs provide a higher level of hearing protection (up to 15 dB) when there is sustained loud noise.

With a simple press on the touch pad, the user activates enhanced hearing mode which provides 5X amplification of soft sounds.

In either standard or enhanced hearing mode the earplugs provide maximum protection (up to 40 dB) from loud impulse noises.

HIGH DEFINITION HEARING PROTECTION

BLAST & IMPULSE NOISE PROTECTION

AMPLIFICATION OF SOFT SOUNDS

ACTIVE USE WITH RECHARGEABLE BATTERY

Designed, manufactured and engineered in the U.S.A for over 50 years.

Features

- Up to 40 dB of impulse noise protection
- Up to 15 dB of adaptive noise reduction
- Hearing enhancement mode – amplifies soft sounds up to 5X
- Rechargeable with up to 16 hours of continuous use
- Natural hearing for safe sounds
- Accu-Technology® high-definition sound quality
- One-button touch pad, 2-mode operation
- Earplugs are IP67 waterproof
- Storage case displays charging status
- Integrated windscreen to suppress noise
- 1-year warranty

Specifications

Passive NRR: 28 dB (Foam Tips); 23 dB (3-Flange Tips)

Frequency Response: 40Hz-16kHz

Transducers: Balanced armature speakers
Wide bandwidth, low-noise MEMS microphones

Battery Performance:

- Earplugs:** Up to 16 hours of active use
- Charge Station:** 20 earplug charge cycles from fully charged case

Rugged Charging Case

Fully charged water resistant case provides multiple earplug recharges for up to 20 times

Maintenance Kit

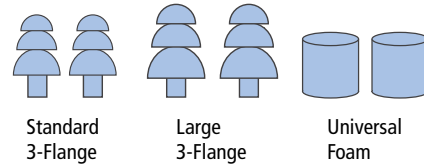

Filter replacement tool and extra filters for maximum performance

High-Definition Earplugs

2-mode waterproof earplugs provide up to 40 dB of blast protection

Assorted Eartips

Includes multiple reusable eartip sizes for a perfect fit

In The Box

- 1 pair electronic earplugs
- Assortment of eartips
- Durable lanyard
- Filter replacement tool and extra filters
- Cleaning tool
- Rugged, portable charging case
- USB charging cable
